Workstream 2: Reconstruction

Time: 09:00-12:00

Date: 17 July 2017

Venue: Council Chambers, Clyde Street, Knysna

Chairperson: Gerhard Otto

1. Opening & Welcome

The Chairperson Gerhard Otto welcomed everyone and Ms Jacqui Pandaram opened the meeting with a prayer.

1. Apologies

None

2. Overview of Workstream 2 (Reconstruction)

Dr Hildegard Fast provided the following overview of Workstream 2 :

- Let us not repeat the mistakes of the past but “build back better”
- Let us create an example for the rest of South Africa
- We should have access to additional resources given donations received so let’s think “outside of the box”
- This Workstream will affect other workstreams and vis versa (this is to be co-ordinated by the Chairperson – Mr Gerhard Otto)
- We should ensure that all new buildings are more resilient to disasters and provide suggestions to temporary shelter solutions that meets beneficiary needs

Mr Eduard Lotz confirmed that a new website: www.gardenrourebuild.co.za was created in order to share information & documents with Workstream members.

3. Work Groups

Ms Sonja Neethling indicated that surveys in Knysna LM have indicated approximately 900 houses were damaged/destroyed and Ms Adél Stander indicated that surveys in Biou LM have indicated that in Plettenberg Bay 100 properties have been damaged. Survey information still needs to be updated, verified and mapped.
